2024 EUDUNDA SHOW PRESIDENTS MESSAGE

On behalf of the Eudunda and Districts Show Society I would like to extend a warm welcome to you all to the 126th Eudunda Show! Since last year's show the executive committee and extended members have yet again been working tirelessly to bring us all another fun filled entertaining day and a chance to socialise and build new and continuing friendships.

Taking on the role from Karl Milde, he has left me very big boots to fill and I'd like to take this opportunity to thank Karl for the positive impact he has had on our show. Like many community run events they don't just happen. Many hours of correspondence, communication, record keeping and a huge amount of fundraising throughout the year are all just a taste of what goes into making a country show happen.

Without these things as well Community grants and our lifeline of sponsors there would be no show.

So whether you are a convener, steward, judge, sponsor, exhibitor, volunteer, committee member or even if you just show up on the day we Thank You for all you give to the Eudunda Show. You should all feel a part of something pretty special. This year we have yet again seen 2 very fine community members participate and represent Eudunda Show in the Rural and Young Rural Ambassador program at both NASA and State levels. We wish both Hollie Preston and Sam Doering all the very best and can't wait to see where their show journey takes them in the future.

At this year's show you'll see all the good old fashioned favourites of country shows with new ideas and new events and activities for all ages to enjoy.

Last year we asked for feedback on ways and areas of the show we could continue to improve, which has led us to mixing things up a bit to hopefully accomplish a more enjoyable show for everyone, including our dedicated volunteers on the day. These changes will see events such as the Speed Shear being spread out over a bigger part of the day.

Another major change will see Show Hall entries coming into the show hall and being judged on Saturday. This will allow exhibits to be judged before show day meaning we can hold the Official Opening earlier, allowing everybody to enjoy the splendid displays and talent of the district for a larger part of the day.

I hope this finds you all well.

Bring on some rain to make the crops grow and some lovely sunshine for show day. See you at the Eudunda and Districts 126th show.

Cheers

Garry Schutz
