ATTENTION DOG OWNERS

All dogs **must** be on leashes and muzzled if needed.

Dogs must be under control at **ALL** times.

Please clean up after your dogs. Poop bags will be available around the show grounds.

The Show Committee reserve the right to ask you to leave with your dog if your dog is being aggressive or causing nuisance.

A WORD FROM THE EUDUNDA SHOW PRESIDENT

Well just like that, the time of the year where life gets extremely busy is upon us and we decide to throw a show in the mix to keep life interesting.

On behalf of the Eudunda and Districts Show Society I would like to extend a warm welcome to you all to the 127th Eudunda Show!

Once again, the Executive Committee and extended volunteers have been working tirelessly to bring us all another fun filled entertaining day and a chance for socialising and building new and continuing friendships.

We live in a community that is constantly growing and changing in demographic and there's times when it feels as if we don't even know our neighbours 2 doors down the road. The Eudunda Show is a great chance to meet people new to the area and also to build relationships or catch up with old friends. So come along, catch up, grab some tucker and enjoy the entertainment that's on offer!

Like many community run events they don't just happen. Many hours of correspondence, communication, record keeping and a huge amount of fundraising throughout the year is all just a taste of what goes into making a country show happen. Without these things as well as community grants and our lifeline of sponsors, there would be no show.

So, whether you are a convener, steward, judge, sponsor, exhibitor, volunteer, committee member or even if you just show up on the day we thank you for all you give to the Eudunda Show and you should all feel a part of something pretty special.

At this year's show you'll see all the good old fashioned favourites of country shows alongside new ideas, new events and activities for all ages to enjoy.

The 2025 show theme is "Man's Best Friend", predominantly referring to dogs but who would know what people come up with. I don't recommend bringing a cat but, by all means, bring your dog, especially if it can jump or work sheep in the yard dog trials and there's even a spot for your snag dogs.

Bring on some rain to make the crops grow and some lovely sunshine for show day and we will see you at the Eudunda and Districts 127th Show!

**Cheers,
Garry Schutz
Eudunda Show President 2025**

THANK YOU TO OUR 2025 SPONSORS!

Introducing RC Pullers Australia

The RC Pullers Australia bring the thrill of tractor pulling to the remote-control world. Our competitors have built machines competing across five classes: Mini Modified, Limited Class, Open Class, Smoker Class, and 2WD Trucks—each class inspired by full-sized Modified Tractor Pulling.

Powered by engines adapted from everyday garden gear, from whipper snippers, blowers to chainsaws, ranging from 25.4cc to 45cc—and some even using differentials salvaged from old angle grinders, these machines showcase creativity and mechanical skill.

The Challenge: Pull a weighted sled as far as possible. Reach 10 metres, and you've nailed a Full Pull. But as the sled moves, it gets heavier!

Come and watch some friendly competition and demonstrations at the Eudunda Show!
You can find us behind the Sporting Clubrooms near the Adelaide RC Truck Club
