2026 SHOW OPENER - Michelle Dalzell – Group Manager Operations, Michell Wool

Michelle has spent more than 30 years working within the Australian wool industry, all with Michell Wool. What started with an Ag Science degree and a role in the laboratory at G H Michell and Sons has developed into a career spanning many aspects of the business. Today, as Group Manager Operations, she works closely with a strong team across the business to lead change, improve performance and develop sustainable strategies for the future.
What Michelle enjoys most about the wool industry is its diversity. She has a foot in both the greasy wool and textile manufacturing sides of the industry and has had the opportunity to see wool travel from the grower through processing and into its many end uses around the world.
She is particularly passionate about the people behind the industry and the importance of collaboration across the wool supply chain. Through her work with Michell Direct, she also values the opportunity to connect more closely with wool growers and contribute to the ongoing strength of regional communities.

A WORD FROM THE EUDUNDA SHOW PRESIDENT

I am honoured and delighted to welcome you all to the Eudunda Agricultural and Horticultural Society's 128th 'Eudunda Show'.

2025 - 'Man's Best Friend' - What a show! We reached a record number of show exhibit entries and record numbers through the gate both on 2 legs and 4. With events based around our show theme, the dog jumping, human dog barking, Dachshund muster and yard dog trials were a massive hit! We also moved our judging to the Saturday before the show, to ensure the show hall opened earlier and gave the volunteers more time to enjoy show day.

A country show like ours doesn't come together overnight. Since the minute the last microphone was put down in 2025, an incredible team of hardworking volunteers have been putting in the hours to make the show bigger and better for 2026.

I would like to thank all of the Committee, Judges, Stewards, Convenors and Volunteers for their efforts and time they have generously given. We are blessed to have such a great hardworking, young and driven committee behind us and are always welcoming to new faces and ideas for shows in the future. A special mention to Jake Schmidt and Angela Jaeger for representing us through the Rural Ambassador Awards this year.

We are very grateful for the generous support for the Eudunda Show that the community and local businesses provide for us, this year we have also reached a record amount of sponsorship which we could not run the show without - Thank you

You may see some upgrades around the place, with 2 new portable grandstands, kitchen upgrades and fans in the show hall, which wouldn't be possible without grant funds we have been grateful to receive. You also may have seen some familiar faces at some of our major fundraisers; Quiz Night, Anlaby Spring Festival, Kapunda Rodeo, Marrabel Bull ride, and the 24hr reliability trial just to name a few. These funds help us to ensure we can provide a low-cost day full of entertainment for everyone to enjoy.

2026 - 'On the Sheep's Back' - Our theme for this year is based around the year of the pastoralist, where we have decided to focus on everything sheep. With the sheep, lamb and wool job at an incredible level, it couldn't be more fitting. We are staring at what looks to be a good season ahead with good rains pushing crops and feed along.

'On the Sheep's Back' will include some un-BAAA-lievable new competitions this year, like the Shearer's Morning Smoko in cookery judged on stage, Pet Lamb Competition and of course the favourites Pedal Powered Shearing and the iconic Speed Shear. You might be lucky enough to see some blade shearing in the mix too.

This is where you come in, the success of the show rides on you, the showgoer, the exhibitor, bring the family, bring your friends and enjoy the day out at arguably the best day on the calendar for Eudunda. We look forward to seeing you there!

Cheers,

Henry Schutz

Bundey Data Centre *Project*

We're pleased to be a sponsor of the Eudunda Show this year. Come and meet the IREN team to learn more about the proposed Bundey data centre project, ask questions and share your views with us.

IREN, an Australian-founded company, is planning to build an 800 MW data centre campus near the existing Bundey Substation. It's about 15 km north-east of Robertstown and will utilise existing grid and transmission infrastructure.

Water

IREN designs its facilities with modern cooling technology to minimise water use. Our modern cooling technology reuses water in a closed loop (similar to a car radiator), so the Bundey campus will not consume water for cooling on an ongoing basis.

The project will be built out progressively over about six years, with approximately 3 megalitres of water (roughly 1 Olympic-sized swimming pool) required every 6 months until the initial fill of our closed-loop system is complete. Then, less than 1% of our cooling system capacity will be topped up annually.

Construction and Operational Jobs

We will hire staff and contractors locally wherever possible. The proposed project will create more than 500 jobs during construction and more than 200 ongoing operational jobs, which are expected to be mostly based on site.

Housing

To reduce pressure on local housing and accommodation we are considering a range of options. These include building new houses in surrounding towns, including Eudunda, converting the existing St John's Lutheran School buildings in Eudunda into accommodation for staff and building a construction workforce camp for more than 500 people out near the Bundey data centre site.

Local Economic and Community Benefits

The project will bring significant investment and economic opportunities to the local region both during construction and throughout the decades of operation. IREN will become one of the largest ratepayers in the Regional Council of Goyder area, we will invest in local sponsorships as well as run our $250,000 Community Grants Program each year.

The NEW Blue Ribbon Cookbook by Liz Harfull Recipe Competition

FIRST PRIZE - A copy of The New Blue Ribbon Cookbook

***Present 3 pieces** of Leslie Brewer's prize-winning apricot, walnut and toasted almond slice as featured in the NEW Blue Ribbon Cookbook.*

Ingredients

125g unsalted butter, melted then cooled
110g (½ cup) caster sugar
2 eggs, at room temperature
1 ½ teaspoons vanilla extract
75g (½ cup) self-raising flour
75g (½ cup) plain flour
60g (½ cup) chopped walnuts
75g (½ cup) finely chopped dried apricots
60ml (¼ cup) milk
50g (½ cup) flaked almonds, toasted

ICING:
150g (1 cup) icing sugar mixture
1 tablespoon hot water

Preheat the oven to 180oC (160oC fan-forced). Grease and line a 20 cm square, shallow tin.
In a large mixing bowl, stir together the butter and sugar until thoroughly combined. Beat in the eggs one at a time, then add the vanilla.
Sift together the self-raising and plain flours. Fold half into the butter mixture, then fold in half the walnuts and apricots. Repeat with the rest of the flour, walnuts and fruit.
Fold in the milk until all the ingredients are combined.
Pour mixture into the tin and bake for 20 to 25 minutes until golden. Set aside to cool slightly, then turn out onto a wire rack covered with a clean tea towel.
To make the icing, stir together the icing sugar and hot water, adding a little more water if necessary to create a thin icing that spreads easily. Spread evenly over the baked slice and scatter generously with the flaked almonds.

Tips from the cook!

Make sure the eggs are at room temperature. Buy Australian apricots and nuts if you can, and use good-quality butter and vanilla. Toasting the almonds is an absolute must for flavour. Once the cake is cooked, leave the oven on and pop the almonds on a baking tray, covered with baking paper. Bake for about 3 minutes.

memories captured by jorja

Your story deserves to be remembered

Life is made up of moments that pass by far too quickly, the excitement of saying "I do", the anticipation of welcoming your little one, tiny newborn details, growing families, and the love shared between two people. These are the memories that deserve to be preserved. At Memories Captured by Jorja, I create natural, heartfelt images that reflect genuine connection and authentic emotion. My relaxed approach allows you to simply enjoy the moment while I capture the memories you'll look back on for years to come.

Whether you're celebrating a milestone or simply wanting to freeze this chapter of your life, I'd love to help tell your story through timeless photography.

Hints for Judging

EMBROIDERY, CROSS STITCH AND CRAFT

All articles must be clean. Visual appearance. Finish inside and outside, back and front. No loose threads. Originality. Watch for fluff in framed articles. Colour changes and colour schemes (patchwork and cross stitch). Neatness, no blobs of glue.

KNITTING AND CROCHET

All articles must be clean. Neat finish inside. Flat seams. Evenly stitched. No loose ends of threads. Well blocked if stocking stitch. Attention to detail. Visual presentation. Presentation, pride and neatness are the first criteria all judges look for. Judges do not discriminate between right and left hand made articles.

Band of the SA Police DIXIEBAND

The South Australia Police traditional jazz band is much loved by communities across the state for their infectious blend of old-school trad jazz and barbershop inspired vocal harmonies. Providing light hearted entertainment with a virtuosic twist, this group of cheeky, talented musicians is a favourite amongst audiences of all ages.

Check them out - On the verandah throughout the day.

Introducing
RC Pullers Australia

The RC Pullers Australia bring the thrill of tractor pulling to the remote-control world. Our competitors have built machines competing across five classes: Mini Modified, Limited Class, Open Class, Smoker Class, and 2WD Trucks—each class inspired by full-sized Modified Tractor Pulling.

Powered by engines adapted from everyday garden gear, from whipper snippers, blowers to chainsaws, ranging from 25.4cc to 45cc—and some even using differentials salvaged from old angle grinders, these machines showcase creativity and mechanical skill.

The Challenge: Pull a weighted sled as far as possible. Reach 10 metres, and you've nailed a Full Pull. But as the sled moves, it gets heavier!

Come and watch some friendly competition and demonstrations at the Eudunda Show! You can find us behind the Sporting Clubrooms near the Adelaide RC Truck Club

REGULATIONS

1. Unless otherwise stipulated, all exhibits must be the bona fide property of the exhibitor and entered in his/her name, except in Sections where they must be grown by or be the work of exhibitors.
2. All exhibitors must deliver their exhibits to the stewards, executive committee or place in the allocated space as directed by the stewards.
3. Judges are empowered to decide on the age of any animal.
4. The judges may withhold prizes in any class where exhibits are considered unworthy, and may award second and third prizes in lieu of first and second.
5. No exhibitor will be allowed to display any prize card or ribbon on his exhibit, stall or stand, in addition to those issued by the Society for the year.
6. The Executive Committee reserves the right to not display any entry/exhibit deemed to be explicit, discriminatory or in contradiction to the spirit of the Eudunda Show.
7. All protests to be handed to the secretary in writing, accompanied by appropriate fee, within one hour after judge's award, or opening of Show.
8. Judge's decision to be final, providing conditions of the class have been complied with.
9. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the prize. The committee, with or without the advice of the judge or judges may decide the question.
10. No one but stewards, appointed to wait on the judges, allowed with judges at time of judging.
11. Entries for all sections close with Secretary on date stipulated. Late entries may be accepted, in Sections where preparations have not been finalised, at nominated Late Fee. Entries by post to be addressed to The Secretary, Eudunda Show, Box 311 EUDUNDA 5374 accompanied by the entry fee due. Phone entries must be confirmed in writing, accompanied by entry fee due.
12. No tents, booths or hawkers will be allowed on the ground except with the consent of the executive committee.
13. No exhibit to be removed before times directed by Convenors, otherwise prize liable to be held.
14. Any member of the executive committee shall have the power to enter any side-show they wish at any time, free of charge.
15. All prizes to be collected on Show Day, unless prior arrangement has been made with the Secretary. Any unclaimed prizes will be considered a donation to the Eudunda Show Society.
16. All exhibits entered "Not for Competition" must be marked as same.
17. Whenever 'District or Local' is mentioned it shall mean within a radius of 30km of the Show Ground.
18. Section tickets must be put on exhibits by exhibitors. One section ticket will be issued free per entry made by exhibitor.
19. No cups or trophies to be taken until they become the absolute property of the exhibitor.
20. The Society reserves the right to refuse any person a stall or stand without assigning any reason.
21. Any matter not dealt with in the Regulations shall be decided by the executive committee, whose decision shall be final. Five members of the committee to form a quorum
22. NO ALCOHOL TO BE BROUGHT ONTO GROUNDS. A Licensed Bar is available for show attendees.
